Start time

3:05 pm.

End time

3:19 pm.

14 minutes

a) Adaptability :-

Ability to adjust to change in environment/circumstances.

Importance

1) Adaptability helps in dealing challenges better and can embrace the new challenges.

2) A great leader always knows change is inevitable and adapts to change. Adaptability enhances the leadership skills.

3) With adaptability, the strategic goals can be achieved without any change in effectiveness.

b) Activism :-

Ability to bring positive change in social, political, economic and environment aspects.

Importance

1) Helps to change the system and make it more public friendly.

2) New reforms can be achieved through activism.
Eg: Jail Reform by Kiron Bedi.

3) Helps to reinforce the faith of people in the system of governance.

c) Innovation :-

It is a creative idea or a method that helps to clear the need of a situation or problem.

Importance

1) Innovation increases the efficiency of governance.

2) Innovation helps to adapt to the needs of changing people and technology.

3) Problem solving and adaptability attributes can be enhanced with Innovation.

d) Courage :-

Ability to show strength and making decisions without any fear of repercussions.

1) Helps to fulfill the requirement of duty with Integrity and Transparency.

2) Courage is necessary to withstand the unconstitutional forces.

3) Courage helps to cope with setback if any and adapt to change that no one is willing to do.
