Ans:- For the first scenario mentioned in the question ~~i will act~~ as a officer i will accept D.O letter because ① I have knowledge about people whom profile i have got/submitted, my horizon of experience is limited as compared to a cabinet minister who meet tons of people, who understand the gravity of the project. ~~Also~~ also because the letter is a written document which can act as a evidence if anything in project goes wrong

→ For the second situation i wouldn't allow ~~the woman~~ accept the women request because of the Integrity in my work & the probity in governance needed ~~there~~ at that place. Plus her argument is not suffice to transfer her posting, there can be another person in family who can take care of them. Also why women are objectify for house work.
